

Targeted HR Consulting provides tailored human resources solutions across various industries, including construction, mining, and industrial sectors. With over 20 years of experience, they focus on aligning specialized talent with company objectives to enhance employee engagement and strengthen the bottom line.

Services Offered:

- **Recruitment and Selection:** Hand-selecting candidates to meet specific industry needs while ensuring legal compliance.
- **Training and Development:** Implementing programs to enhance employee skills and performance.
- **Performance Management:** Aligning HR processes with organizational goals to boost productivity.
- **Employee Relations:** Fostering a positive work environment to improve retention and satisfaction.

Industry Focus:

- **Construction:** Ensuring compliance and licensing by acquiring knowledgeable, licensed talent.
- **Industrial:** Recruiting top industrial talent to provide a competitive edge.
